

GET TO KNOW US

We have been in Slovenia since 1992, offering children from 2 to 15 years of age a multicultural, stimulating and friendly environment.

The school operates under the auspices of the French Foreign Language Agency (AEFE) and is part of one of the most widespread networks of international schools in the world: about 500 schools in more than 130 countries. Teachers follow the same school curriculum that is followed by public schools in France. Therefore, children can continue their education in France or any other country where french school is also part of AEFE.

WHERE TO FIND US?

A few minutes from the city center (exit 34 Center).

The school is also Accessible by the number 9 bus.

INTERNATIONAL FRENCH SCHOOL OF LJUBLJANA

THE BEST EDUCATION FOR
YOUR CHILDREN

WHY DOES OUR PROGRAM STAND OUT?

1. A quality educational offer

- A team of professionally trained and experienced francophone professors
- A qualified and pedagogical approach
- Personalized follow-up within small group classes
- School projects: classes in nature, camps, excursions and visits to museums, performances, scientific projects, numerous cultural and sporting events
- Certification from French (DELF, DALF) and English (Cambridge Certificates)

2. Multilingual and multicultural environment

- Learning English for all children with a native speaking teacher
- Early learning of foreign languages through play and socializing with children of different nationalities and cultures
- Teaching Slovenian: following the Slovenian curriculum with a trained teacher
- Cooperation and exchanges with French schools in France and abroad as well as Slovene schools and with other international schools in Ljubljana

3. The guarantee of continuity of the school curriculum

- Teachers follow the same school curriculum that is followed by public schools in France
- The school and the school curriculum are approved by the French Agency for foreign Affairs (AEFE), which operates within the French Ministry of Foreign Affairs
- Accreditation by the Slovenian Ministry of Education

- **Happy and fun learning experience**
- **Multicultural and multilingual**
- **Small community, Big family**
- **Academic excellence**

OUR FOCUS

To create and maintain a high quality and safe learning environment enabling each student to achieve their academic and life goals.

4. Constant attention given to children and their family

- Possibility of enrollment throughout the year
- Organized childcare from 7.00 to 17.30, from September to July
- A school lunch is delivered by Ljubljana catering
- Offering a number of extra-curricular activities: sports, music, dance, fine arts, theater, board games, video circuits, etc.
- All the necessary school infrastructure: library, dining room, gym, outdoor fenced playground, school garden
- Organized French courses for parents in the school premises

SET YOUR CHILD UP FOR A
GREATER SUCCESS
